

2024 CAMP DATES | LOS ANGELES, CALIFORNIA

JULY 8-12 | JULY 15-19 | JULY 22-26 | JULY 29-AUGUST 2

Embark on a journey with AI technology, unlocking your creativity and igniting new sparks for your future!

Have you ever imagined unleashing the boundless power of creativity through advanced artificial intelligence technology, breaking free from the constraints of traditional creation? Well, now is your chance! **Village Christian School proudly presents the all-new 2024 Rising Star Summer Camp.**

This year's camp theme is **"Exploring the Future: A Journey of Creativity with AI Technology,"** opening a door to creativity and technology for international students. We not only offer cutting-edge AI technology courses, but also well designed, diverse afternoon electives, including drama and sports, allowing students to develop their various interests.

### CAMP HIGHLIGHTS

**AI Technology Exploration:** Dive deep into the world of AI technology, understanding applications in creativity, from voice assistants to writing assistants. Let AI be your creative companion.

**Collaborative Group Projects:** Write challenging speeches, develop captive animations, craft compelling copy, and create outstanding projects.

**Showcase and Performance:** At the end of a fun and productive week, present your group's project in a showcase, including works completed with the help of AI. Students' presentations will be recorded digitally, creating precious memories of this unique experience.

**Local Student Leaders for Language Immersion:** Local and international students will mix in groups, covering practical English skills like writing and public speaking, with immersive Project-Based Learning (PBL).

**Cultivating Innovative Thinking:** Foster your innovative thinking and problem-solving abilities through practical projects and teamwork.

**Practical Skill Development:** Learn the basics of artificial intelligence and applications of AI in various fields.

**Interaction with Professionals:** Engage with industry professionals through lectures and interactive sessions, gaining insights into the latest trends in the technology industry.

### AFTERNOON ELECTIVES

**Art Classes:** Explore diverse art experiences including painting, drama, cooking, and ceramics.

**Sports Activities:** Participate in various outdoor sports and athletics to promote physical and mental health.

**This summer camp is not just a tech exploration, but a holistic journey of growth,** blending art, sports, and innovation. We believe that through such comprehensive learning, you will become more confident and diverse on the road to the future. We welcome you to join us and embark on this exciting journey!

## ABOUT VILLAGE CHRISTIAN SCHOOL

Located in beautiful Los Angeles, Village Christian School (VCS), is a prestigious school committed to providing an outstanding education from kindergarten through high school. Founded in 1949, VCS is one of Southern California's largest private schools, with 1190 students and a 6% international student population.

VCS spans approximately 30 acres, nestled in the northeast corner of Los Angeles near Burbank, the "Media Capital of the World." The school is surrounded by beautiful natural scenery, cultural landmarks, and the headquarters of renowned media and production companies. Set beneath a green hillside, the campus boasts renovated indoor and outdoor facilities, including science labs, multiple art and music studios, a performance center, numerous sports facilities, and high-tech equipment, providing an excellent environment for students' learning and development.

VCS offers 54 college-preparatory courses, including 16 AP, preparing students to thrive in university. The 2022 high school graduation rate was 100%, with students accepted into top universities such as Harvard, Stanford, UCLA, Caltech and Cornell, to name just a few.

In 2012, VCS developed Concentrations, a career development track based on the Harvard teaching model, covering Health and Environment, STEM, Visual Arts, Performing Arts, Entrepreneurship and Ministry & Social Justice.

VCS is a member of the Western Association of Schools and Colleges (WASC), the Association of Christian Schools International (ACSI), and the College Board. In 2003, the school was recognized as a National Blue Ribbon School by the U.S. Department of Education. VCS has consistently earned titles such as "Daily News Reader Choice Best Private School" and secured numerous sports and arts awards in recent years.
